http://flipster.ebsco.com/kindlefire

Getting Started:

- Visit longwoodlibrary.org through the browser (NOT the app) on your computer or device and select **Flipster**
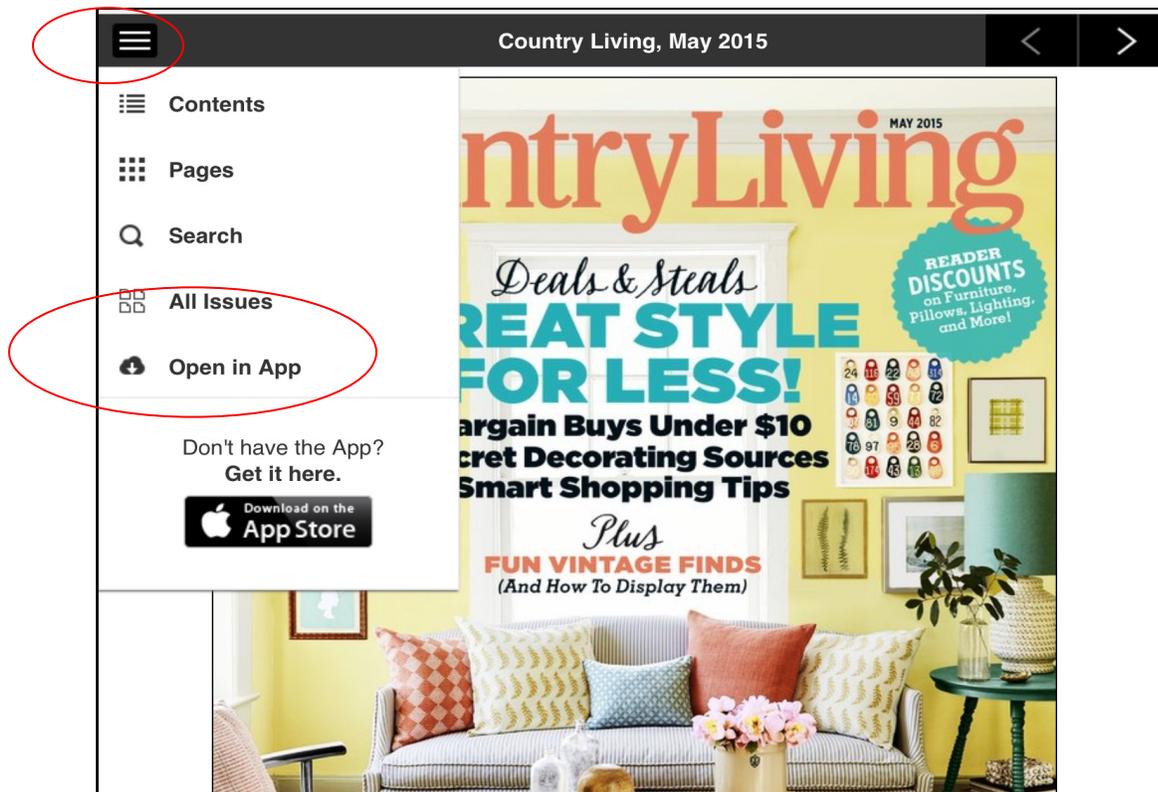

- Login with your library barcode

Search or Browse:

- Once in **Flipster**, you can search by title and keyword or browse by category

- Click on a magazine cover

Flipster search interface showing Popular Magazines with Categories sidebar (Automotive, Business, Entertainment, Fitness & Health, Food & Cooking, Hobbies, Interests, & DIY, Home & Garden, Lifestyle, Men's Interest, News & Politics, Sports, Teens, Women's Interest), Latest Issues (Car & Driver, Country Living, HGTV Magazine, Kiplinger's Personal Fina... — May 2015), and All Magazines (Rolling Stone Apr 9, 2015; Redbook Apr 2015; Time Apr 6, 2015; Ebony Mar/Apr 2015; HGTV Magazine May 2015).

Read:

Read directly in your browser *or* open in the app for offline viewing.

FAQs

Can I access back issues?
Yes. To access back issues on your desktop or laptop computer, open the most recent issue of a magazine and select the **All Issues** menu item in the right column to see all available issues. To access back issues in the app, open the most recent issue of a magazine and select the **All Issues** menu item from the menu in the top left corner to see all available issues

Do I need a mobile app to view magazines on my mobile device?
No. You can read magazines directly in the browser as long as you have an internet connection or 3G/4G connection.

Can I search within a magazine?
Yes, both the desktop and mobile browser versions of *Flipster* support keyword searching within a magazine and across all issues with the content gallery feature. There is no search capability in the app.

Can I print from a magazine?
Yes, printing is available when reading a magazine on a computer, but not from a mobile device or the iPad app.
