

# TOP FIVE FRIDAY

## OUTER SPACE

1

### Starflight by Melissa Landers

YA LANDERS MELISSA, ebook, eAudiobook

Solara is desperate to get to the outer realm—desperate enough that she's willing to indenture herself to Doran, who made her life miserable in school. Then when Doran learns he's been framed on Earth, the two are forced to team up aboard a renegade spaceship.

2

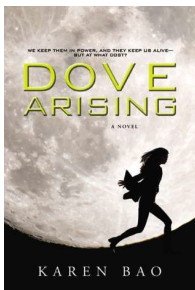

### Space Case by Stuart Gibbs

YA GIBBS STUART, CDB, ebook, eAudiobook

Dash is one of the first humans to live on the moon and it is incredibly boring—until the base's top scientist turns up dead. Everyone thinks it was an accident, but Dash thinks it was murder and he's going to figure out who did it.

3

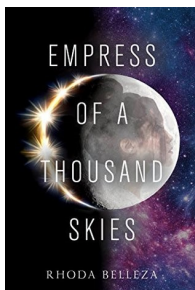

### Dove Arising by Karen Bao

YA BAO KAREN, CDB, ebook

Phaet has lived her whole life on a lunar colony, staying quiet and off the oppressive government's radar. Then her mother is arrested and the only way to save her younger siblings is by enlisting in the Militia, the faceless army that polices the lunar colony.

4

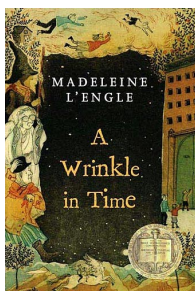

### Empress of a Thousand Skies by Rhoda Belleza

YA BELLEZA RHODA, ebook, eAudiobook

Rhee, the only surviving heir to an ancient dynasty, is attacked and presumed dead. Aly is blamed for her murder. Forced to go into hiding, Rhee and Aly discover the attack was just one part of a sinister plot and must work together to save the galaxy.

5

### A Wrinkle In Time by Madeleine L'Engle

YA L'ENGLE, CDB, playaway, ebook, eAudiobook

Meg's father had been doing secret work for the government when he mysteriously disappeared. Now a stranger has appeared and says it's time for Meg, her friend Calvin, and her brother Charles Wallace to rescue Meg's father.
